

# TERMS OF USE

---

This document describes the terms of use of this site and related services between RaiseFX (The Broker) and the user of said services (The User).

By consulting this site, creating an account, and/or using the services of the Broker, you confirm to have read, understood and accepted those terms of use fully, as well as any legal note and declaration present on our site. You agree to comply irrevocably to the rules and obligations of those documents.

The Broker can update those terms of use and any other legal document at any time without warning. By continuing to access and use our site, you agree to those updated legal terms and conditions.

When you access this site and use its services, you must control that the products and services that we offer comply with your local regulations before using them. Our services and products are available only if they are legal in your country of residence.

# TERMS OF USE

---

## 1. INFORMATIONS ABOUT OUR SITE

1.1. The information presented on our site is based on data supplied by available, recognized and reliable data sources. We also use third party content and research. However we have not verified nor controlled those informations. As such, we cannot guarantee that those informations are complete, accurate or reliable. You must use your own judgment and research before making any decision.

1.2. The Broker has done its best efforts to ensure the quality of the information and content on this site. Those information are likely to be updated at any time without warning, so as to provide the best support to independent trading decisions to the Users. The Broker does not guarantee the reliability of such information which is provided .

1.3. The Broker cannot be held liable for any loss or damage, direct or indirect, related to the content of the site, the availability of the site, the delay of data transmission, the failure to send or receive data, or any cause.

1.4. All the content on the site is presented only from the date of publication or the date shown. It can be rendered obsolete by external conditions.

1.5. In case of contradiction or inconsistency between the information on the site and the registers of the Broker, the information of the register prevail.

1.6 In any case, the Broker will not accept any responsibility for any damage or loss of any type related to the use of the information provided by the Broker on the site or through any communication.
